

Policy Polish!

Policies! From sex to drugs and food to physical activity...

Do your policies meet current guidance?

Will they get Ofsted approval?

**Are they up to date and ready for when you validate/
re-validate your Healthy School status?**

**Are they in practice in school and working to the benefit
of staff and pupils?**

**Send them to us! We'll give them a quick once over and
help you polish them up if needed.**

**We'll also provide simple guidance on making sure
policies get off the shelf and into practice...**

**Are you missing a policy? We'll help you draft it
Do you need to update a policy? We can assist.
and we can support you to consult with staff, pupils,
parents and partners...**

You can e mail copies to
